

WE ELEVATE YOUR
BUYING WITH OUR
EXPERIENCE.

OUR SERVICE

Servicing the Mountain West and Midwest markets, Crown Equipment Consultants streamlines the relationship between manufacturer and specifier, providing agile support to manufacturers, equipment rental companies, and industrial & construction supply stores.

CROWN EQUIPMENT CONSULTANTS

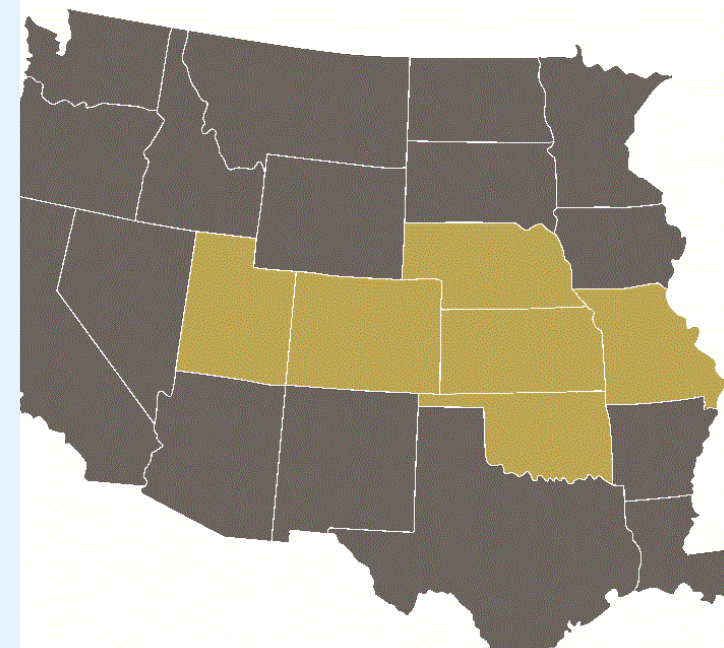

We are a leading manufacturer's rep agency for construction, and industrial equipment and supplies.

Markets

We are a company engaged in marketing, consulting, and selling into the states of Colorado, Kansas, Missouri, Nebraska, Oklahoma and Utah.

Founder

Paul Perez is a 11 year veteran of the rep agency business who credits his success to the true partnerships he developed with his clients over his many years as a rep. He loves working on his old Cadillac, biking with his dog, and playing golf.
